Ronald Sanchez

Ron Sanchez retired from Greater San Joaquin Softball umpiring in 1997 after 25 years as a registered ASA umpire. Ron worked ten ASA National Championships and two ISF tournaments. Ron also worked numerous Division 1 and Division 2 College Tournaments for over 20 years. One of Ron's most outstanding accomplishments is that he worked every championship game of every ASA National or ISF Tournament. That cannot be said by many, if by any. In Ron's 25 years he was considered the model that future umpires followed to reach their highest level. He led by example and had a profound effect on all that followed. Greater San Joaquin was blessed to have Ron Sanchez represent this association. Ron would like to acknowledge Tom Chapman, Art David and Stan Fingerhut, all deceased, as representatives of his career. He would also like to recognize Lisa Rudloff, Jim Lykins, Emily Alexander, Frank Cortez and Jim Winchester for the leadership, guidance and friendship.
